

Dear Ms. Grace G. Liu:

Congratulations! It is a pleasure for me to inform you that you have been admitted to Columbia University's Fu Foundation School of Engineering and Applied Science as a candidate in the Biomedical Engineering Master of Science program beginning Spring 2022. The faculty and staff would like to commend you on your past accomplishments which formed the basis of our admission decision in a highly competitive pool. We encourage you to visit our Welcome to Columbia website at <https://gradengineering.columbia.edu/welcome> for essential information to assist you with your transition to the Columbia Engineering community.

Columbia Engineering requests the fulfillment of the following course requirements prior to or during your first semester at Columbia: a 3.0 Calculus III course, a 3.0 Ordinary Differential Equations Course, and a course in Linear Algebra. It is recommended that these courses be taken during your first semester at Columbia..

It is extremely important that you complete and submit your admission response to indicate if you accept or decline our offer of admission. In order to finalize your student status and to hold your place in the Spring 2022 class, the Office of Graduate Student Affairs must receive your response and \$4,000.00 non-refundable tuition deposit by 11:59 p.m. EST 2 weeks from the date of this letter. [Click here](#) to respond to the offer. This offer is applicable only to the Spring 2022 semester, and is not transferable to another term.

If you require a Student Visa, an Application for Visa Certificate can be obtained from here: <http://isso.columbia.edu/> and should be completed and returned as soon as possible to our International Students and Scholars Office. This application must be returned with all required materials including a copy of this letter and financial support documentation.

If you choose to accept our offer of admission, enrollment is contingent upon receipt of all outstanding application materials including, official test scores, and official transcripts from all previously attended post-secondary institutions. Transcripts must indicate the conferral of your previous degrees. If transcripts do not indicate degree conferral, a separate degree certificate must be included. Instructions for how to submit all official materials can be found here: <https://www.gradengineering.columbia.edu/student-life/new-students>.

We appreciate your interest in continuing your education at Columbia University and hope to welcome you to campus. For assistance, please do not hesitate to contact the Office of Graduate Student Affairs at seasgradmit@columbia.edu. We look forward to working with you in your future academic endeavors.

Sincerely,

Leora Brovman, Ed.D.
Senior Associate Dean of Undergraduate and Graduate Student Affairs
Fu Foundation School of Engineering and Applied Science
